| Overall impression         | 5 | 4 | 3 | 2 | 1 |

Data summary

What did you like the least?

- Start time of the event
- Short duration, too much information
- Presentation part about the halfway housing
- The duration of the free, informal conversation was short
- The good life card gam
- The event was somewhat monotonous
- Women's circle
- The other games were briefly mentioned
- The crash course in cooking material with the recipes

What was the most positive?

- Card game, recipes
- Women's circle
- Practicality
- New experiences and knowledge
- The whole presentation, as well as the activities
- Workshop
- Presentation about the halfway housing
- Creative ideas, games as well as tools
- Release Diary activity examples
- Useful information
- The whole idea, of focusing on femininity and the everyday problems of today's women.

Any other comments, suggestions, ideas for change:

- I have learned a lot and heard/seen examples that gave me new ideas.
- The theoretical part could have been longer.
- I liked it very much! Thank you for the opportunity!
- I wish you continued success with the project!
- The card game was amazing! Congratulations to the developer!
